

LOCAL BRIEFS.

Items of Interest in and Around the City.

Governor Glenn will speak in Goldsboro on Saturday, May 16, at 12 o'clock. This means that the whole county will be here to hear him.

Dr. W. H. Smith is at home from his professional duties in Philadelphia, on account of the serious illness of his little son, as already noted in the ARGUS.

The Goldsboro Bar held a meeting in the Clerk's office this morning and set the civil docket for the special two weeks term of Superior Court ordered for Wayne county opening June 1.

The many friends of Rev. and Mrs. W. P. Constable will be pleased to learn that Mrs. Constable, who is an operative patient in the Kinston hospital, has safely passed through the ordeal and is doing nicely.

At last Wayne county has inaugurated the steel bridge movement. The Board of County Commissioners today awarded a contract for two of minor importance—to be followed, let us hope, by river bridge—of like nature.

The finest—the largest chicken eggs we have ever seen were exhibited in this office yesterday by Mr. W. H. Godwin, from chickens raised by Mrs. Godwin, at their spacious premises on East Centre street, south. There were a dozen of them, and weighed 31 ozs.

Dr. W. K. Lane has moved his office into a handsome suit recently fitted up for him adjoining the Lane Drug Company's spacious and well equipped new drug store near the postoffice, on John street. The ARGUS extends its best wishes to the new enterprise.

It was a real pleasure to all of us to see Mr. Jas. W. Thompson, our efficient and universally popular county treasurer, at his office again, for the first time since his recent extreme illness of pneumonia. He is on the up-grade now, and will soon be his old self again.

The Democratic Executive Committee of the county met in this city Monday, in Chairman Dickinson's office, and called the township primaries for May 10, and the county convention for May 23. This is for the election of delegates to the State and congressional conventions only.

That Goldsboro's popular and health-giving beverage, the peerless Punch-I-Nello, is pushing its votaries in other towns up into the realms of poetry and the rarified atmosphere of the spiritual is conclusively evidenced by the poem published elsewhere in this issue, from the pen of a rising young lawyer of Mt. Olive.

Mrs. Sol Weil, representing the Library Extension, Mrs. Gertrude Weil, general secretary of the Federation, and Miss Ida Tomlinson and Mrs. C. B. Miller, delegates from the Goldsboro Woman's Club, left this afternoon for Greensboro to attend the State convention of Woman's Clubs. It will thus be seen that Goldsboro will be admirably represented in this annual gathering of the progressive womanhood of the State.

The death of Miss Cherry Edwards, only sister of Mr. Jno. W. Edwards, and a most estimable Christian woman, occurred Sunday p.m. at 10 o'clock, after a painful illness of several weeks, patiently borne. Miss Edwards was 41 years of age, and devoted her life to the care and companionship of her venerable mother, who preceded her to the grave several years ago. The funeral was held Monday afternoon at 4 o'clock from St. John M. E. Church, of which she was a member.

The death of Rev. John T. Brogden, 74 years old, at one time a preacher in the Methodist conference, and a man of the highest integrity, occurred at his home on West Spruce street, in this city, Thursday night, and the funeral was held from St. Paul church, Friday afternoon at 3 o'clock, conducted by Rev. J. M. Carraway, of the Goldsboro circuit, and the interment was made in Willow Dale cemetery. Deceased had been in feeble health for many months and the summons found him with his lamp trimmed and burning.

The street hands are now at work along William street in the vicinity of the court house laying the stone curbing that has so long been needed there to reclaim the sidewalk from the constant washings that come down upon it from the court square with every heavy rain. It is to be hoped that the Civic Improvement League, that have expressed designs upon the reclaiming and beautifying the square—that is so capable of being made a most delectable resort for the public—will do their promised work on an elaborate and permanent scale.

Next Monday is going to be "Park Day" in Goldsboro. It is going to be "Goldsboro Day"—a half holiday for all our people. In the afternoon the parade of the military and firemen's organizations of the city, the graded school, the fraternal lodges and citizens in general will take place followed by appropriate exercises at the park, where the award will be made and the prize delivered for the best decorated

vehicle in the parade. Let's all celebrate the day as it should be. Let's manifest and foster the proper "Goldsboro spirit." It is thus that we shall eventually achieve Greater Goldsboro.

Mr. Norman Waters, who has faith in Goldsboro and does not hesitate to invest all his ready cash in Goldsboro real estate and improvements, has broken ground for the erection of a large two-story double brick store with French-plate and metal front, near the new Union Passenger Station. He takes the lead. Next. We go forward.

Mrs. Margaret Butler Foust, wife of Mr. L. A. Foust, of this city, after a long and painful illness, cheerfully borne with Christian resignation, "fell on sleep" Thursday night at 7 o'clock, at their home on the corner of James and Mulberry streets. She is survived by her devoted husband and affectionate little daughter, and these have the sympathy of all who know them in their sorrowful bereavement. Mrs. Foust was a member of St. Stephen's Episcopal church, and her funeral was conducted from the home Friday afternoon at 3 o'clock by Rev. J. H. Griffith, rector of the church in Kinston.

DEFEATS NEW BERN.

The Goldsboro High School Baseball Team Wins From the New Bern High School Club.

The game of ball between the teams of the New Bern High School and the Goldsboro High School—the second game of the series—came off in this city Saturday afternoon and resulted in a sweeping victory for Goldsboro. The first game played was in favor of New Bern's team, so that it will require the third game to settle the contest. A feature of the game Saturday was the batting of Spence, Daniels and Betts, Spence knocking a home run and scoring as many runs as the entire New Bern team. Claude Woltz, the catcher, also did some fine throwing to second base, putting out nine men. "Hank" Britt, the pitcher, was in fine form and pitched a beautiful game; the New Bern boys just couldn't find him. An amusing feature of these games is that the New Bern club calls itself after New Bern's popular drink—Pepsi-Cola—whereupon the Goldsboro team promptly styled itself after Goldsboro's peerless beverage, Punch-I-Nello, and as the two teams are now neck and neck, there is additional interest in the final result.

AN APPEAL FOR HELP.

Eminent Physician Asks Southern Peoples' Co-operation.

New Orleans, La., April 30.—Dr. Richard H. Moffett of this city, who attended the Physicians' Convention held at New York, where Dr. S. H. Stall made known his discovery of the new drug Livolis, desires to tell the people of the South the value of this new and wonderful drug. "Owing to the fact that the South is more vested with Malaria, Typhoid and Yellow fevers than the North," says Dr. Moffett, "I feel it my duty to let be known the wonderful effects of Livolis for the prevention of these diseases.

The Southern People are always victims of "Spring Fever" which makes one feel tired, exhausted, and weak and undoubtedly these effects of Spring are not merely natural as usually supposed. Very often they are the first symptoms of fever and other bad diseases to which the people in the Southern Latitudes are so susceptible.

The use of the new Livolis will prevent fever in any form, give new life to the users and abolish the "tired" lazy feeling which is so popular in the hot climates.

Everyone should take something in the Spring to thoroughly cleanse the system and purify the blood, as when this is done and the system free from all impurities and toxins one is less liable to take the diseases of Summer.

Livolis not only prevents Yellow fever but confines the case and in this way stops contagion. As a Spring tonic nothing can replace this drug, because of its thorough cleansing and immunizing properties and I trust that the use of this harmless and inexpensive remedy will be known in every household, thus help to reduce fever in the South to a minimum.

Since this drug is being used in a great many Southern States and is so well recommended by the best authority, it would not be amiss for the people of this community to give it a trial.

L. J. SCHWAB Civil Engineer.

133 West Walnut St. Goldsboro, N. C. Surveys made wherever desired. Plots and abstracts of title furnished.

CITY ALDERMEN.

Last Night's Monthly Meeting In Detail.

The Board of Aldermen met last night, in regular monthly session, with Mayor Ormond presiding and Clerk Broadhurst at his desk. The following aldermen answered to roll-call: Messrs: Kornegay, Borden, Holmes, Gibson, Weil, Gardner, Sugg, Wrenn, and a quorum being present the Mayor declared the meeting ready for business.

The minutes of the last regular and the subsequent special meeting were read and approved.

Alderman Gibson for the police committee reported that the order for spring suits for the city police force—six in all—had been placed with Messrs. H. Weil & Bros., on competitive sealed bids.

The written acceptance of the franchise for a street railway by Mr. E. T. Oliver was read before the Board and the same was ordered entered upon the record book of the city.

The appliance for cleaning sewers as recommended by Mr. J. L. Ludlow was ordered by the Board to be bought and put into service.

Will Arrington, a one legged colored man, was before the Board and was allowed to sell ice without license and was relieved of his poll tax.

Alderman Weil for the Fire and Water Committee reported on the proposition of removing the hose reel in Webbtown from its present location, which is on leased ground. Mr. Horace E. King, Chief of the Fire Department, was before the Board and outlined the situation over there. On motion the matter was referred to the Fire and Water Committee with instruction to report at the next meeting.

On motion the poll tax of the city firemen was ordered refunded.

On motion the matter of a net for the Park Tennis Court was left with the chairman of the Park committee.

Chief King, of the Fire Department, laid before the Board the needs of the city as to fire alarms and suggested an enlarged and improved system of alarm, at a cost not exceeding \$235.00, and on motion of alderman Borden Mr. King's suggestions were adopted and Chief King was authorized to make the improvements as above set forth.

Reports were read as follows: Chief of Police on sanitation, showing the city to be in good condition.

Treasurer reported disbursements \$3,022.88. Tax Collector reported collections for month of April \$3,896.23. Clerk reported receipts for April \$164.08. Mayor reported for April \$104.75. Bills and pay roll paid for April \$1,573.64.

Alderman Borden, of the street committee, presented to the Board the necessity of repairing the condition of East Elm street opposite the Cemetery, and on motion the matter was left with the street committee with power to act.

Prohibition Speaking.

Hon. N. B. Broughton, of Raleigh, will speak on prohibition, in the Second Baptist church, in East Goldsboro, at 8 o'clock, Friday night, May 8. Do not fail to hear this address.

Mr. Broughton will also address the people in the Seven Springs section, at White Hall, on Saturday, May 8, at 1 p. m. Let all the people hear this able speaker.

Prohibition addresses will be made at Ebenezer, in Fork township, on Sunday, May 10, at 3 p. m. It is hoped that a large crowd will be on hand.

U. C. V. Meeting.

Notice is hereby given that the regular meeting of Thomas Ruffin Camp, No. 794, U. C. V., will be held at the courthouse in the city of Goldsboro, on Saturday, May 9, at 12 m. It is desired that every member be present.

JOHN H. HILL, Commander.
A. B. HOLLOWELL, Adjutant.

FOR COUNTY TREASURER.

The undersigned hereby announces himself a candidate for Treasurer of Wayne county, subject to the will of the Democratic constituency of the county as expressed in the Democratic county nominating convention.

If nominated, I promise to be faithful in the discharge of the duties of the office, and courteous to all.

Very truly, T. L. SASSER,
New Hope.

NORFOLK & SOUTHERN.

Party Rates Between Points in North Carolina.

The Norfolk & Southern Railway have authorized party rate of two (2) cents per mile, per capita for parties of ten or more people traveling on one ticket between points on the line of the Norfolk & Southern Railway within the State of North Carolina.

F. W. Tatem,
Division Passenger Agent.

S.S.S.

PURELY VEGETABLE GREATEST OF ALL TONICS

Very few persons are able to pass the Spring season with any degree of physical comfort, without the aid of a tonic. Our systems change with the changing seasons, and more is required of the blood, from which source our bodies receive their nourishment and strength, at this particular season than at others.

During the cold Winter months we do not exercise as freely as in warmer weather, the skin is not as active in removing the waste and refuse matter, and the other avenues of drainage are dull and sluggish in their work. Thus the impurities which should pass off are left in the system, and are absorbed into the blood.

When Spring comes and all nature takes on new life, we change our mode of living, and greater demands are made on the blood for nourishment and strength to enable us to meet the changed conditions. But the Winter accumulations have polluted the blood and destroyed its nutritive qualities to such an extent that it is not able to supply the increased needs of the system, and we suffer in consequence.

Our physical machinery seems to get "out of gear," and suffers from debility, weakness, nervousness, loss of appetite, etc. Sleep is not refreshing, there is a constant worn-out feeling, and we do not feel equal to performing the ordinary duties of daily life.

When the system is in this disordered condition it must have assistance; it must be aided with a tonic, and it should be a medicine which has the additional qualities of a first-class blood purifier, for to restore health the blood must be cleansed of all impurities.

S. S. S. is the best Spring tonic, and it is recognized as the oldest and best blood purifier. It is made entirely of roots and herbs of the forests and fields, and as it does not contain the slightest trace of mineral in any form, is especially adapted for a systemic remedy, and has the additional value of being absolutely safe for young or old. S. S. S. re-establishes the healthy circulation of the blood, rids the body of that run-down, worn-out feeling, improves the appetite and digestion, and brings about a return of health and strength to those whose systems have been weakened and depleted. S. S. S. acts more promptly and satisfactorily than any other medicine, and those who are beginning to feel the need of a tonic to fortify themselves against the unpleasant conditions which come with Spring, should commence its use at once. Not only will it tone up the system, but it will remove any humor from the blood, and prevent an outbreak of Eczema, Acne, Tetter, Poison Oak, Poison Ivy, or other skin disease or eruption, which is so common at this season. S. S. S. is for sale at all drug stores.
